

Happy Library Card Month!

What can I do with a library card?

Not only can you check out books at the library, but you can also borrow movies, CDs, and other materials in the library. We also have a lot of e-content that you have access to right from your home!

Why should I get a library card?

There are many reasons to get a library card, but one of the big ones is that you have access to tons of books and movies, and it's free! Why spend money at the bookstore on a book you will read once when you can borrow it as many times as you like from the library for free?
