

LET'S GET SPOOKY

Q-Tip Skeleton Hand

Materials:

- Q-Tips/Cotton Swabs (8)
- Tacky Glue (Small Bottles can be found at Dollar tree)
- Black Construction Paper
- White Paint
- Paint Brush

Step 1: Paint the palm of your hand, fingers, and part of your arm with the paint and paint brush.

Step 2: Place your now painted hand down on your black construction paper

Step 3: Allow the handprint to dry

Step 4: Take your Q-Tips and glue them down onto your handprint. You may have to cut some down to size for smaller hands.

Step 5: Allow the glue to dry

Step 6: Now you have a Spooky Skeleton Hand!!!

All Materials can be found at the dollar store! Q-Tips and Black Construction paper are included!
