

Winter

Wonderland

Snow Slime

Materials:

- ¼ cup Elmers Glue
- 1 Tbsp Liquid Starch
- 1 Tbsp Contact Solution
- 1 Cup Shaving Cream Foam
- Glitter (Optional)
- Bowl
- Spoon

Step 1: Add your glue and your shaving cream foam into a bowl and mix it together.

Step 2: Add your glitter if you would like. If you don't want to add glitter then you can skip this step.

Step 3: Add your liquid starch and your contact solution and mix it. It will start to come together.

Step 4: Once it starts coming together scrape the remainder off your spoon and start squishing it together

Step 5: For storage just stick into a Ziploc bag or a storage container and into the fridge. When you're ready to play with the slime it will be cold like snow too! Just not as cold!

Materials are not included for this project/activity.
